

DESTINATION CASE STUDY · SEPTEMBER 2026

Anchorage, *Alaska.*

Send me somewhere, and I will come back with what makes people book it: the stay, the food, the excursions and the landscape, with real people inside every frame.

THE TRIP

One trip, the whole *destination.*

In September 2026 I photographed Anchorage the way a traveler lives it: a stay at Sunstar Alaska, a reindeer farm and an afternoon with sled dogs, then a day of wildlife conservation and glacier trails with Welcome Anchorage.
